

Forward-Looking Statements of ARMR Sciences Inc.

This news release of ARMR Sciences Inc. (the “company”) includes “forward-looking statements” within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. These statements may be identified by words such as “may,” “will,” “should,” “could,” “expect,” “intend,” “plan,” “anticipate,” “believe,” “estimate,” “predict,” “potential,” “forecast,” “continue,” or the negative of these terms or other words or terms of similar meaning. These statements are based upon the current beliefs and expectations of the company’s management and are subject to significant risks and uncertainties. There can be no guarantees with respect to pipeline products that the products will receive the necessary regulatory approvals or that they will prove to be commercially successful. If underlying assumptions prove inaccurate or risks or uncertainties materialize, actual results may differ materially from those set forth in the forward-looking statements. This presentation contains estimates, industry information and other statistical data from third-party sources and management estimates. Although the Company believes that its third-party sources are reliable, the Company cannot guarantee the accuracy or completeness of its sources. The Company’s management estimates are derived from third-party sources, publicly available information, the Company’s knowledge of its industry and assumptions based on such information and knowledge. The Company’s management estimates have not been verified by any independent source. The information contained in this document is the proprietary information of ARMR Sciences Inc. and is disclosed in confidence. It is the property of the Company and shall not be used, disclosed to others, or reproduced without the express written consent of the Company, including, but without limitation, in the creation, manufacture, development or derivation of any biopharmaceutical products or any business plan or any business developments. Transfer of any information or data contained in this document by any means to any person without the express written consent of the Company is strictly prohibited. This presentation is made for informational purposes only and does not constitute an offer to sell or a solicitation of an offer to buy securities, nor shall there be any sale of any securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

Risks and uncertainties include but are not limited to, general industry conditions and competition; general economic factors, including interest rate and currency exchange rate fluctuations; the impact of the recent global outbreak of novel coronavirus disease (COVID-19); the impact of pharmaceutical industry regulation and health care legislation in the United States and internationally; global trends toward health care cost containment; technological advances, new products and patents attained by competitors; challenges inherent in new product development, including obtaining regulatory approval; the company’s ability to accurately predict future market conditions; manufacturing difficulties or delays; financial instability of international economies and sovereign risk; dependence on the effectiveness of the company’s patents and other protections for innovative products; and the exposure to litigation, including patent litigation, and/or regulatory actions. The company undertakes no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise.

Confidentiality Statement

The information contained in this document is the proprietary information of ARMR Sciences Inc. and is disclosed in confidence. It is the property of the Company and shall not be used, disclosed to others, or reproduced without the express written consent of the Company, including, but not limited to, in the creation, manufacture, development or derivation of any biopharmaceutical products or any business plan or any business developments. Transfer of any information or data contained in this document by any means to any person without the express written consent of the Company is strictly prohibited.

No Duty to Update

The information contained in this presentation was current as of the date presented. The company assumes no duty to update the information to reflect subsequent developments. Consequently, the company will not update the information contained in the presentation and investors should not rely upon the information as current or accurate after the presentation date.
